new school

You two are
a couple,
aren't you ?

Eh... nothing really. I mean we still have a month to go.

Forget the Xmas.

Finally, I will spend time with her until the new year from Xmas.

What are you
talking about
all of sudden?!

What?
You promised!
And your parents
gave me
permission.

Don't please
interrupt me,
and listen
carefully.

Why?!

Great!
Why don't
you make a
declaration on TV?!!
You are a
nutcase.

Sure,
why not?

Let me have
that for a sec.

Eh?!

Allow me to spend the
last week of this year
with her please !

Pretty please !
I will send her back
home safe and sound !
Pretty please, mom, dad,
brother !

NEVER I
NOT UNTIL I REST IN
MY GRAVE I

I AGREE, DAD I

What ? Your dad
really said that ?!

And even your brother
didn't stand up for me ?!
Why ?!

Isn't that obvious ?

Such is a normal reaction from parents who have daughters.

Thanks to your thoughtless declaration, we can't go on a trip together now.

That's unfair !
Why only daughters ?
Sons should also be -

Put your-
self in their
shoes !

What ?
If my son
would -

Sigh,
forget it.

What I mean is
if you have a
daughter

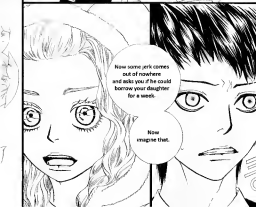

—
Daughter?

Yes, and that
daughter would
be of my age.

Daughter...

But this is different !
If we had a daughter,
she'd look exactly
like you.

... What are you
talking about ?
Place yourself
in my dad's
shoes !

Back a big
daughter
between us

I don't want to
understand, but
I do, I do do.

Have you noticed
that you've been
getting dumber ?

You used to have
some units in you...

Hmph,
well ...

Do you like me
so much that you
let go of your
mental plug?

What?

Now be honest -

Shinichi

JANINE YOUNG

When they immediately
picked us and thought
that we were a couple.

You lost yourself,
didn't you.

Of course,
not

what?

Don't you
remember?

You know,
we got interviewed
like today long
ago.
Remember ?

It was the first time
we wore couple suits.

I ... don't ...

How can you
forget ?

Not dead.
Not dead ~

I've been looking
for a refreshing
couple like you two.

Let me introduce
myself. I am

been scouting suitable
talents.

I am a guy.

And she is my

can't see ?

Your lips
are pale.
Did you know
that?

Seriously?

What
now?

I am giving
you a signal
to stop it
before you
go too far

Sweetest love
and.

Do you want
me as a girl
who simply
goes after
what she
wants?

...and I am
trying to grab
it -

Your warm
beating heart

Why don't you
answer it?
It's been vibrating
for a while.

It's spam.

Really ?
Are you
having an
affair ?

If you are not
gonna answer it,
I am going to !

I told you, it's
spam, gone.

She totally stole
my line.

What was that
about?

Ah, this
passes me off !

So, he grew taller
and now he's
suddenly popular !

And why do
I get to manage
his life like this
anyway ?

Do you know me ?

Why do you keep
calling me ?
Wanna die ?

Have you
ever killed
someone ?

It wouldn't
be so bad -

to be killed
by your
hands.

What the hell
are these ?

Scary

You are
middle
schoolers,
aren't you ?

Do you have
a GF ?

Do I look like
I don't ?

Doesn't really
matter either
way

I can simply
take any bitch
away from you
anyway.

Don't you dare
bothering her.

You might get
beaten the crap
out of you.

I don't know
about killing
someone.

But I am very willing
to beat up even girls
if they earn it.

And that's
not something
to be proud
about.

That's
enough,
Jin-Hong.

This was
your idea.

She's just
a fool.

Leave her be.
Let's just go.

You two have
literally become
a gangster couple
lately.

Kinda hard to
deny that.
I didn't think some
middle schoolers
would do that.

He's really
mean to

it seems that
spurs there
on.

And as usual
in the end,
it's all about
you bringing
your guy.

Uh...
I guess so.

Why, are you
jealous?

?

Why are you
still here ?
Still need to
brag about
him ?

Huh ?

No...
Han-Se,
you ...

You've become
weird.

Oh, yeah !
It's your hair !
You got a haircut !

I am right,
right ?

It's much better now.
Why didn't you cut some more.

Like before.

It was better before ?

At least, you don't look creepy now.

Ah ?
Well, nevermind.

I was creepy ?

A little.
You looked ...

Even your own

Why were you

It was never
hard to talk
to you.

Look who is
talking.

You weren't
exactly better

Anyway,
it lasted way longer

that even I lost the

And then —

Why don't you

It's painful to
look at the two
of you like this!

I will allow you to be

*"Well as my boyfriend, but as my
male friend"*

Han-Se,
bro I

So, why don't you get
along with her like
before.

And I will show

I am begging

Sorry about all
the misunder-

I don't need your
so-called permission

Geez,

That was so unnatural.

you like my

It was my first
time to have
felt such a
sensation.

Do you want
me to tell you
why?

Because
I know -

I knew that I wouldn't
be yours no matter
what.

It is the first
time for you,
yes ?

You are used to
having everything
you wanted in
your life.

That is why.

So, it is
over.

What's so great
about the one
you are after ?

What's so
great about
her that

You are
being driven
by her ?

Are you saying
you can be hers ?

Is she that
special ?

It's not that she
was.
She clearly
isn't.

— she
doesn't
know that
yet.

Are you
satisfied
now...?

Hey, author, are you
sure you want to say
that? You are giving
out a pretty powerful
spoiler for those
who can understand.

He, MIA!
Is that true?
Is she going to
end up with him,
really?!

Hey, MIA!
You promised me
to give me a
page!

I was going to
announce that
I am going to
do the military
service!
